SPECIFICATIONS

Overview

The Riviera 52 Enclosed Flybridge is much more than mere model refinement – in fact we've seized the opportunity to incorporate a wide range of standard inclusions that, in the past, might have been considered optional upgrades.

The full magnitude is complemented by the fact her hull lines run straight aft from the maximum mid-ship beam of 16' 10". This, in turn, provides an extremely buoyant lift and an easy planing surface, as well as great stability, enhancing her penultimate blue-water performance.

1000-hours service done in 2023

Basic Information

Category: cruiser

Model Year: 2016

Year Built: 2016

Country: United States

Dimensions

LOA: 52' (15.85mm)

Beam: 16.5
