## Overview

The Bavaria 30 is the smallest cruiser in a family of high-quality German built sailing vessels. It nevertheless is a voluminous boat that is built with the same quality that Bavaria Yachts have become known for world over. It is fitted with the optional high tech tandem keel with twin foils connected with an iron bulb. (see photos) Under power and sail it will turn on a dime. The 18 hp Volvo diesel drives the hull easily through the steepest chop. MEA is equipped with in-mast furling, all lines led aft to the cockpit, making it a great single handed or two person Chesapeake Bay cruiser. The modest draft (4'7") is Chesapeake, ICW, and Caribbean friendly. It is truly an affordable, on-the-water retreat for a couple or a family. MEA has been in the hands of a known yacht builder since new, lending credit to the credentials of the brand. MEA is an exemplary boat that will fit your budget, your slip, and your needs.
