Overview

Shorn Lamb is a one owner Island Packet 38. She has been well enjoyed and upgraded. While Island Packet construction is well documented, Shorn Lamb has received an additional bit of protection and strength. Bergen Marine Services of Rock Hall, MD has applied a vinyl ester sheath below the water line. This application ensures additional impervious strength. As if that is not enough, she has new water and fuel tanks, engine mounts, refrigerator and stove. Wait! There's more! Please venture on to the rest of this listing! Shorn Lamb is waiting for her next adventures and float plans.
