SPECIFICATIONS

Overview

The most popular of the medium size boats from ZAR, the ZAR 49 SL has found it's place as the premier yacht tender in the 15-16 foot rang. The ZAR 49 SL seats 9 people in seats, has tons of storage, self bailing decks, swim platform extensions standard with the built in telescopic dive ladder, premium fit and finish, and the famous ZAR hull with a very sharp entry and a 24 degree deadrise at the transom for the smoothest ride possible along with dep reversed chines to shed the water down instead of out to make the driest ride possible. There is no ride like a ZAR! Due to the hull and tube design, the ZAR also features nearly 3 extra feet of waterline length as well. In fact, you would need to get to competing models nearly 2 feet larger to achieve the same interior voluum (usable space).
