## Overview

---

The ZAR 65 Suite is simply just an awesome boat in every way! With a 26 degree deadrise at the transom, a very sharp entry with very large reverse chines, the ZAR 65 hull cuts through the water smoothly while also shedding the water back down instead of out giving you a very dry ride. Every inch of the boat is skillfully used for some purpose. The boat seats 12 people in seats. The aft area sports a u-shaped dinette that seats 4 at the table. All of the areas are convertible to different setting configurations as well as converting to sun-loungers. There are multiple engine options as well as accessory options. This price reflects a fully rigged, turn-key boat rigged with a Yamaha VF200, stainless steel tilting radar arch, sun-shade to arch.

## Basic Information
