Overview

The new ZAR 79 follows in the footsteps marked by the new Sport Luxury line. The design is inspired by the flagship ZAR 85 SL and, as with all boats by ZAR, it is built with an enormous amount of attention to the materials and fine detail.

Thanks to the proven hull, the new ZAR 79 SL combines excellent sea keeping and internal space with modern design to create a sleek and stylish craft. The high level of standard equipment, a feature of the Sport Luxury Line, guarantees and gives value to the quality of life on board, which has always been a prerogative of ZAR.
