SPECIFICATIONS

Overview

The ZF-3 Seats 7 people in seats with tremendous amounts of storage under all of the seating. The ZF-3 is hands down the best running, best performing, driest, most comfortable ride, with more seating and double the storage of any competing boat of the same size period! Built in Italy. Designed with passion. The new tender line by ZAR, represents a great leap forward in terms of design, function, performance and reliability. ZAR's recognized lead and expertise in the top class of the RIB industry converges in this demanding product.

All of the iconic elements such as the deep 'V' hull for great performance and comfort, the rigid bow for a more spacious interior, the enormous storage space, the quality materials selection and the innovative design have been uncompromised.

A key aspect of our design philosophy demands that these RIBS must be instantly recognizable as a ZAR.

The core values of our brand remain not only untouched, but enforced: Style, function, uncompromised, Italian.

Every feature of the tender line has been conceived for a fun, comfortable, practical and safe experience.
