SPECIFICATIONS

Overview

This 1979 Mainship 34 Mark II has been well cared for throughout its entire life. We have a complete set of records dating back to when she was new. It's an excellent choice if you are interested in cruising the American Great Loop or looking for a perfect Bahamas boat, which we call 'Onwego.' The boat is powered by a single, efficient Yanmar diesel engine and is equipped with a stern thruster. It's worth noting that it will need a new bimini top and some repairs to the swim platform due to damage caused by Hurricane Ian. Despite these exterior considerations, the interior of the boat is beautiful. We invite you to come view this boat, make an offer, and start living the dream.
