SPECIFICATIONS

Overview

Very well maintained classic. The 31 Open was redesigned in 1992 and added a little more interior volume and a transom door, livewell and fishbox. The boat is powered by twin Crusader 7.4L engines, producing 350 horsepower each. There is a flush system for both engines. There is less than 1000 hours on each and the annual service was done in December 2022. Also, a Westerbeke generator provides power when away from the dock. Tiaras are known for their quality construction and practical amenities. The interior has sleeping room for four, a two burner cooktop, refrigerator and enclosed head with shower. The boat cruises easily at 20 knots, with a top end of about 30 knots. The exaggerated bow flare makes for a dry ride and prop pockets to reduce the angle of the prop shafts. If you are looking for a well built cruiser/fisher, then look no further than this Tiara Open 31.
