SPECIFICATIONS

Overview

FIFTY SHADES is now available and can be considered the nicest and most well equipped Sanlorenzo SL106 available. The current owner recently spent over \$500,000 in 2022 taking an already well conditioned yacht and making it exceptional. The owner hired Cullen Moser, an interior designer whom helped design their previous yacht, and they replaced every single upholstery and fabric throughout creating a theme of color and vibrance that is not seen on any other SL106. Custom artwork was commissioned that carries this theme through each of the interior spaces. A master on deck and four addition guest staterooms each with ensuite head makes Fifty Shades a great option for large families or for charter purposes. A garage aft that stores a 2020 Williams jet tender plus jet ski as well as various toys for water sports and a hydraulic swim platform for easy entry to the sea.

She recently completed the 2000 hour service on her MTU engines that also have extended warranty until November 2025. The MTU 16V2000 engines can achieve cruise speeds of 20-22 knots and a top speed of over 29 knots. Keeping the yacht in excellent condition carries over to the engineering department as well with many reconditioning and replacement of various equipment and parts throughout.

FIFTY SHADES is one the finest 5 stateroom yachts available and need to be seen in person to be appreciated.
