SPECIFICATIONS

Overview

Just Listed!! And don't miss out on this well-kept Sea Ray 280. As one of the most popular cruisers ever built by Sea Ray after a day on the water aboard her you'll find out why. From her spacious cockpit to her accommodating cabin this Sea Ray 280 will give you a soft ride in rough seas. Go ahead and step aboard. You're bound to fall in love just like everybody else that owns a 280 Sundancer. Aft, you'll find a large swim platform with concealed swim ladder along with storage on the transom of the boat for lines and fenders. Step inside the cockpit and there's a bench seat aft that folds away for those days you plan on fishing. Across from the fold away bench seat is a double seat. Located to starboard is the ever important wet bar. Just forward of the wet bar is the helm with a layout like no others. Everything is easily within reach and perfectly laid out. Across from the captain on the starboard side is more seating that converts to a lounger. Just a few steps down and you'll find ample head room in the cabin. Mid-ship, you'll find a single berth. Just forward on the port side is the dinette that converts to a double berth. Located starboard, the galley and head. Finally, the v berth is forward. With the rich cherry wood and designer fabrics, you're sure to feel at home in the cabin.
