SPECIFICATIONS

Overview

Delivered in 2007 and recently refitted in 2022, M/Y LOW PROFILE is a fine example of the Predator 82 model. The interior design is done in house by Sunseeker and the sleek exterior is the work of Don Shead Yacht Design. The aft deck is equipped with two comfortable seating areas and spacious tables, perfect for gathering. The outside kitchen and bar area ensure a wonderful experience of dining under the stars. The saloon is designed in warm and elegant colours, featuring a seating area and comfortable couches. M/Y LOW PROFILE has been designed to comfortably accommodate up to 8 guests in 4 suites, including a full beam master, one double cabin and two twin cabins, all of them beautifully designed with wood finishing and equipped with ensuite bathrooms. She is also capable of carrying up to 2 crew onboard to ensure a relaxed luxury yacht experience. Powered by twin diesel MTU M93 16V 2000 with 2,400hp each, she comfortably cruises at 33 knots, reaches a maximum speed of 44 knots with a range of up to 300 nautical miles. Her low draft makes her ideal for accessing shallow areas and cruising close to the shorelines. Her water tanks store around 1,000 Litres of fresh water. Following the refit in 2022, M/Y LOW PROFILE has new 10mm teak deck, a yacht controller as well as a completed Arneson service.
