## Overview

---

21' Solar Electric catamaran This is a perfect Florida boat, very stable, no emissions, accommodates 10 passengers, modern design, high-quality components. Solliner is very dependable, very easy to drive, and has basically no operating costs, since the batteries are recharged, and the electric motor operates off the solar panel mounted in the bimini top. There is also a battery charger mounted in the hull to recharge on cloudy days and overnight. There are many exterior and interior color options available to personalize your Solliner.
