## Overview

---

This "like new" dual console is powered by an F150XB 4 stroke 150HP Yamaha with only 24 hours and is still under warranty. Key features include, a Garmin 743XSPGPS with stereo controls included, underwater lights, Bennett trim tabs, rod holders, a live well and a storage compartment with a water outlet and room for a porta-potty. Twin batteries with a battery switch are also included. This saltwater friendly runabout also features comfortable seating up front with a sporty wrap around bench in the cockpit. Watersports enthusiasts will enjoy the built in swim ladder combined with a swinging entry door for easy boarding. The 203 DFS combines the low maintenance of a self-bailing, fiberglass-lined cockpit with the comfort of a typical bowrider sport boat to create an extremely versatile boat. Vessel had 20 hour maintenance completed and is ready to go. There is no trailer but we can help locating one.
