SPECIFICATIONS

Overview

SAVANNAH, a luxurious 27-meter sailing sloop crafted by Concordia Custom Yachts in 1997, epitomizes elegance and grace both on and under deck. Designed by Pedrick Yacht Design, it seamlessly marries the charm of a bygone era with modern engineering. This fusion results in a visually stunning traditional-style yacht with a hidden secret – modern carbon composite construction and an optimized keel/hull design that transforms SAVANNAH into a high-performance wolf in sheep's clothing. Savannah is built to thrill, boasting exhilarating speeds thanks to her lightweight yet robust carbon fiber, kevlar, and foam construction. Her efficient keel generates impressive sail-carrying power and exceptional upwind performance. Drawing inspiration from the majestic J-Class yachts of the 1930s, she features striking lines, low freeboard, a flush deck, and traditional accents like varnished teak coamings and skylights. Below decks, the 1930s ambiance continues with finely detailed mahogany joinery in the sumptuous saloon and cabins. This "spirit of tradition" racer has earned a stellar reputation, achieving podium results in Antigua, Maine, St. Tropez, and Cowes. Don't miss the chance to experience her unparalleled blend of classic beauty and cutting-edge performance.
