SPECIFICATIONS

Overview

One of the cleanest, well-maintained and well-equipped center consoles of its age. This boat is turnkey and ready to fish immediately. Current owner has no expense adding equipment to optimize the offshore fishing experience. Perfect boat to run to the Bahamas or take 50 miles offshore to fish. The boat includes 3 Garmin units, including a newer unit with transducer that reads deep water for deep drop fishing. Also included: radar, Taco outriggers, center rigger, two downrigger mounts, multiple livewells, isinglass for console, two VHF's, SS anchor chain and a newer Continental trailer. Most all pumps were placed recently. This boat is in great shape!! Contact us to see this boat today!With the power to handle heavy seas and the rugged, good looks MAKO is famous for, the 264 Center Console has the size and speed needed in open waters. Built in the MAKO tradition, it boasts a tougher-than-nails disposition, a smooth, dry ride and a long list of standard equipment. An aggressive V hull is combined with a bow layout that offers maximum usable deck space without sacrificing storage. A one-piece, foam-injected fiberglass stringer grid enhances strength and rigidity.
