SPECIFICATIONS

Overview

The Chaparral 215 SS has borrowed some styling cues from the plush Signature Cruisers incorporating a standard activities platform, transom trunk, walk-through entry, and scotchguarded fabrics. Grab a nap, beat the heat or store oversized items in a cuddy cabin that amazes with its roominess. Storage is available on the sidewalls and under the cushions. A hideaway porta-pottie is standard with a pump-out option available. There is an impressive 44 inches of sit-up cabin headroom and a stowable dinette table for cabin utility. Aft, a full camper canvas package provides for all-weather comfort. The rotocast seat bases have built-in storage. Notable features include:

- Very clean and lightly used
- A full camper canvas package for all-weather comfort
- Canvas storage cover
- Lift-kept under cover
