SPECIFICATIONS

Overview

ELENA I is an exemplary time-proven 3 cabin flybridge yacht representing a no brainer solution when it comes to choosing a “classic” 20 meter cruiser. ELENA I has an ample flybridge equipped with a crane allowing to store a jet-ski here and a tender on the platform. The hard-top not only visually improves the exterior lines of the vessel but also creates shade in the upper dining zone. The main salon has a sofa zone, fully-equipped galley and the main helm station on the stbd side. The engines are two 1150 hp Caterpillars, giving the yacht the maximum speed of 32 knots, 28 knots cruising in planning and about 700 nautical miles in displacement cruising mode.
