SPECIFICATIONS

Overview

Aquaholic is the perfect cruising boat for a couple or family! She has a very inviting layout with multiple areas, allowing as much privacy as you would want while also providing wonderful gathering areas to share a meal or recount the days adventures!

As you enter the vessel from the dock, you will step onto an integral swim platform. This area also serves as the access and control location for the 50 AMP Glendinning power cord system. Additionally there is a storage locker for lines and other boating necessities.

From the swim platform you walk through a door and into the large cockpit. This area has built in bench seating across the aft section, hidden fender storage, for when you are cruising or at anchor, as well as multiple lockers for lines, cleaners, etc. There is also a soft sided Revere Coastal Compact life raft/valise in the starboard side locker. This area is also fully protected from the sun and elements by the upper fly bridge overhang. There are also molded fiberglass stairs leading through a large hatch to the flybridge area.

Walking forward through the large, tinted glass sliding door brings you into the lower salon. This area is complete with a Flexsteel L shaped sofa to starboard, two barrel chairs to port, a beautiful wooden hi-lo table, a U-Line ice maker and bar area, a Samsung 32" smart flat screen TV, a Bose surround sound stereo and the electrical breaker panel. There are also large side windows with wooden blinds for privacy allowing you a wonderful view of the world outside as you sit in climate controlled comfort. Also located inside a cabinet in this area is the receiver system for the Intellian satellite system as well as 3 receivers allowing different TV viewing options in the different areas on the boat.

Up a few steps from the salon you arrive in the galley, dinette area. There is plenty of work space for the chef in the crew to create a dining event on the port side of the boat. This area is served with solid surface counter tops, a full size Norcold AC/DC refrigerator, a microwave/convection oven, a 3 burner glass top Origo cook top, dual large stainless steel sinks as well as intelligent storage solutions for cookware, dishes, etc.

Directly across and to starboard is a large ultra suede u-shaped dinette that will easily seat 4 adults. This provides a wonderful space for meal, game time or a conversation area to chart out the next days adventure.

Moving forward from the galley/dinette area, you will descend several steps to the accommodations level. the first door on the starboard side will give you access to the guest stateroom. This cabin is serviced with its own climate control system, a combination washer/dryer located behind a hinged wooden panel, a 32" Visio flat screen TV with separate DVD player, private access to the fully equipped head with enclosed shower, there is a make-up area, a queen berth and plenty of storage.

Moving forward from the mid cabin you will pass another door on the starboard side, which allows day access to the head that also serves the VIP cabin.

At the end of the hall you come to the final door. This is the portal that opens into the master stateroom. This room has a queen size island berth, a large private head with enclosed shower stall, there is another flat screen TV and separate stereo system, overhead hatches complete with both disappearing sun shades and insect screens. There are also opening port holes that allow ventilation for those evenings when you want to enjoy a fresh ocean breeze.

As you transition up the stairs from the aft cockpit to the enclosed flybridge, you will be startled by the amount of space and amenities in this location. The entire area is covered with a molded fiberglass hardtop that contains several opening hatches as well as lighting. This area is fully enclosed with newer polycarbonate canvas on the forward area and new Sunbrella canvas with isinglass on the aft area. There are two newer 18,000 BTU Dometic reverse AC systems providing year round climate control. There is a huge u-shaped seating area aft and to port where 6 adults can sit comfortably while sitting at a drop leaf table. Entertainment systems include a wet bar, 32" Vizio smart flat panel TV with custom sun cover, a Kenyon electric grill, a Wynter stainless steel/glass refrigerator. Finally, all areas have custom, snap in carpeting.

The helm station, located on the fly bridge has a swivel pilot seat to starboard and a 3 person bench seat to port. Instrumentation includes two Raymarine E120 networked displays, a Cummins Smart Craft engine monitoring system, Raymarine VHF, Raymarine depth/speed/temperature display, ITT Jabsco remote spot light control, fuel transfer controls, Ritchie compass, electronic shifters, joystick close quarters maneuvering system complete with "skyhook" function. Lastly, the steering wheel is adjustable to suit your preferred seating arrangement.

In the engine room, located under the aft deck area, and accessed through a hatch in the floor, you will find a Watermakers water maker, with a 42" single membrane producing up to 600 GPD, twin Cummins QSB 480 HP diesel engines driving the twin pods. Offshore AC power is furnished via a newer 2018 Fischer Panda 12.5KW generator. All engine oils are easily changed using the Reverso Oil Change System. Shore power into the boat is also filtered through a Safe FS60 galvanic isolation system. This area is also protected by an Sea Fire automatic fire suppression system.

Located on the bow area, directly above the cabins is a 1000 LB capacity hydraulic dinghy davit and cradle that is currently being serviced allowing you to carry either a dinghy or jet ski!

This boat is freshly waxed and ready to take you on your next adventure.
