SPECIFICATIONS

Overview

This 1987 Blackfin 36 Convertible looks almost new. Originally a great lakes fresh water only boat up until 2006 when the present owner purchased her from the original owner. In 2006 he put brand new diesel engines in and continued to upgrade everything over the years. Galley up with a master stateroom forward and a guest stateroom with 2 bunks. Single private enclosed head with a separate stand up enclosed shower. The engine room is as clean as they come as are the engines and generator. A huge aft cockpit and lots of seating on the flybridge with plenty of visibility at the upper helm. A very rare find on this 1987 Blackfin 36 Convertible. This has to be the nicest 1987 model you will ever see on today's market.
