SPECIFICATIONS

Overview

It is reluctantly time to hand off the stewardship of this beautiful, classic, Grande Dame. She was watched over and taken care of by one family from the early 1950s till 2012 when it was current owners privilege to look after and escort her through new adventures. Now, it could be your turn. She has been kept in a boat house all her life and must be kept in one or under covered moorage. She has lived in Saltwater most of her life but would not object to freshwater on a nice lake. Fully restored. \$35,000 just invested in upgrades.
