SPECIFICATIONS

Overview

The new Rivamare is a sleek, 39-ft speedboat designed by the company's partners, Officina Italiana Design, who have carefully crafted a sporty silhouette while retaining Riva's signature high-class aesthetic. The new speedboat is the worthy successor of masterworks like Aquariva Super and, before that, Aquarama: it combines the style and charm of these legendary models with the most cutting-edge technologies and offers the greatest care for every detail, together with a level of comfort and spaces never seen before in boats of this size. Handcrafted mahogany paneling across the front of the boat, which sits ahead of a fighter jet-like windscreen comprised of five double-curved crystal glass sections set in a stainless-steel frame. Behind the glass is an array of premium seating and sundecks, and inside, you'll find a kitchen, shower, and a living area that can convert into a double bed. Power comes from a pair of D6 400 DPH Volvo Penta engines, each producing 400 hp allowing the boat to travel at a cruising speed of 31 knots and reach a top speed of 40 knots.

Basic Information

Category: cruiser

Model Year: 2018

Year Built: 2018

Country: United States

Dimensions
