All the flair of a sunny convertible and terrific space — that's what the Sealine C430 stands for. Expressive hull windows give the yacht its distinctive Sealine look, just part of a revolutionary area. Open the electric sunroof and let even more light into the interior. With its three luxurious lounge areas, the Sealine C430 provides the perfect ambience for every moment. When the saloon is opened, both the inside and the outside become a real loft apartment at sea. The standard layout includes the master cabin mid-ship and a VIP cabin in the bow area – perfect for cruising with friends or the whole family. Exterior photos of her sistership.
