SPECIFICATIONS

Overview

The C335 sporty driving experiences are generated by 440hp of engine power, the newly styled, clearly laid out instrument panel, and the superb all-round visibility at the helm. Even in the owner's cabin, you enjoy light from all sides. Premium fabrics and precious woods create a luxurious feel-good atmosphere that is in a class of its own. But the focal point of the Sealine C335 is the light-flooded saloon, which meets even the highest expectations in terms of aesthetics and spaciousness
