SPECIFICATIONS

Overview

McConaghy 63p Tourer is a must see catamaran.

Lightweight, strong and with contemporary, progressive lines, the MC63p Tourer is the power cat of the modern era. McConaghy's use of carbon and precise hull forms makes for a strong and fuel-efficient cat with excellent seakeeping characteristics. Designed by Ker Yacht Design and with interior styling from Design Unlimited, the MC63p Tourer is a mini superyacht like no other.

"Interior styling comes from m2atelier. Their attention to detail and innovative storage solutions that allow for living space to be maximized, make the MC63p Tourer a mini-superyacht, with luxury and performance ability perfectly partnered." From the designer, Jason Ker of KER Yacht Design:

"On a multihull, a small weight increase has a big impact, and the MC63p Tourer has been strategically engineered to be as light and as fast as possible.

Engel & Voelkers Yachting is the North American Dealer. See all models on our site at evyachting.com 239-404-9329
