SPECIFICATIONS

Overview

The CNB 76 was the world's best-selling maxi yacht produced in series with 32 hulls afloat and "Trois Vignes" is the only one in the continental USA. Always captain maintained under the direction of a meticulous owner with pride of ownership evident throughout. Gently used with the majority of her time stored ashore or in fresh water. Easier to handle than many smaller sailboats with pushbutton sail controls, bow and stern thrusters including docking mode to hold side-to while tying off the lines. This remarkable sailing yacht presents a rare and exceptional opportunity, incomparable to any other on the market. Highly recommended without hesitation or caveat. Offers encouraged.
