## Overview

---

Having undergone a transformation from 2013-2015, Maruffa presents like a recently made vessel.

Refurbished and reequipped as a Dyer 29, Maruffa is truly a sight to behold. The entire refitting and repowering process was carried out at the Dyer yard, supervised by the vessel's owner-captain. More than just a renovation, this project was pursued with fervor and no costs were spared. The meticulous care and dedication put into restoring her are evident in every corner of the vessel, making her appear even more pristine than before. All relevant documents and manuals have been kept and will be transferred to the future owner.

The current owner has delved into Maruffa's rich and intriguing past.

This presents an opportunity to be the proprietor of an authentic American Classic, marked by both vintage charm and an illustrious history.
