SPECIFICATIONS

Overview

This is a fine example of the classic 53 Convertible by Jack Hargrave. "MaxSamizer" has low hours on professional rebuilds, a new Northern Lights Generator with a clean bottom and two new compressors supporting her HVAC systems. The upgraded 1271 TI's have high compression pistons, Walker Air Separators and produce 800(+) hp per side. Cruise is 20 knots at 1850 rpm resulting in surprisingly economical fuel burn. Custom climate controlled hard top provides dry and comfortable wheelhouse with dated but functional electronics. Recent addition of new Autopilot.

Basic Information

Category: Enclosed Bridge

Sub Category: Enclosed Bridge

Model Year: 1976

Year Built: 1976
