SPECIFICATIONS

Overview

With its generous layout, this 74ft Sunreef catamaran 'Blue Deer' was designed to meet the needs of those who value the highest standards while living on board.

The open saloon boasts a panoramic view and an interior navigation helm spanning over 35 sq. m. The saloon's lounging area features an exceptionally comfortable U-shaped sofa made from natural grey fabrics, a foldable table, and a TV that slides directly from the kitchen countertop.

Every space on board is adorned with carefully selected, elegant fabrics and materials of the highest quality for upholstery and furniture, striving for the utmost perfection. In the cabins, all decorative elements are crafted from 100% pure Italian linen, inspired by the colors of the Mediterranean and the Caribbean Sea, as well as the blue sky. The result is a perfect array of high-quality fabric shades in blue, aquamarine, and white, achieving a superior level of luxury, complemented by shimmering silver headboards.
