Overview

Dive the most pristine reefs in the America's. Fish some of the best waters in the America's. Take refuge from snow and cold in a tropical paradise. All this and more are possible with the ownership of this pristine, freshwater, 58' Sea Ray. Let's discuss all the possibilities of having Yachts A Fun! Since 2012, LATITUDE has explored the Belize Keys, the Banco Chinchorro Bank (UNESCO site) off the Yucatan and the Bay Islands of Honduras. Home base is a covered boat house in the freshwater of Rio Dulce (Sweet River), Guatemala. The entire river is a storm haven protected by a mountain range guarding the entrance. Additionally, the delta area offers interesting cruising and sites. There's even an intact Spanish Fort, Castillo de San Felipe de Lara, built in 1644. Take advantage of this special investment opportunity of a lifetime. New yacht, paradise all around, local knowledge and support. It will be Yachts A Fun for everyone. For nature lovers, SCUBA divers and fishermen alike. Boathouse can be arranged for the winter season along with caretaker and skipper/guide. Rio Dulce is easy to fly into from anywhere and very safe. If your interest differ, delivery to South Florida can easily be arranged with her experienced crew.
