SPECIFICATIONS

Overview

Green Eyed Lady is a moderately priced coastal cruiser with classic trawler lines and a good turn of speed. Unlike a true trawler it is built on a faster modified V-Hull. She is a very roomy boat inside thanks to her 14' 2" beam and the floor plan manages to include double berth in both staterooms as well as a separate stall shower in the head. The lower helm is excellent, and a deck door provides easy access to the foredeck. Aft, a sliding glass door opens to the covered cockpit where a series of molded steps ascends to the extended flybridge. The Yanmar 370 HP Diesel engine has and will cruise about 14 knots (18-19 tops)

Basic Information

Category: trawler

Model Year: 2003

Year Built: 2003

Country: United States
