SPECIFICATIONS

Overview

The Bluegame 62, the flagship of the Bluegame Sport Utility range, builds upon the attributes of its smaller counterpart with a host of enhancements. Boasting an impressive 18.80 meters (61 feet 6 inches) in length overall and a generous 5.38 meters (17 feet 6 inches) in beam, the Bluegame 62 was born from the aspiration to seamlessly meld expansive and comfortable spaces with the time-tested seaworthiness characteristic of all Bluegame vessels. This design empowers the owner with unparalleled freedom, facilitated by the IPS joystick control system, eliminating the necessity for crew assistance. Notably, the central segment of the stern platform smoothly descends to facilitate the launch and retrieval of a 12-foot tender, exemplifying the vessel's practicality and versatility.
