Overview

This 2004 Carver 360 Mariner is the perfect boat for cruising and entertaining. This boat is not your typical flybridge yacht, it is built lower, so it doesn't act like a billboard when docking in the wind. The fly bridge is built for entertaining with seating for eleven, and 2 cubic freezer and wet bar, grill. If the weather turns bad there is a FULL bridge enclosure with windows that keeps the entire bridge dry from front of cockpit to back.
