SPECIFICATIONS

Overview

The Ocean Craft Marine 7.1M Amphibious is a rigid hull inflatable boat with independently motorized, retractable, and steerable wheels power the boat, providing off-water capabilities. A reverse-chine hull shape delivers a stable and dry ride with optimized lift and minimized drag. Recommended power is 150HP. With a B-Offshore rating, this RHIB has a rating of 9 persons on the water and 8 on land. The 7.1M Amphibious is ideal for commercial, recreational, and rescue applications. Only one crew member is necessary for operation, as it can be driven directly onto the beach or up a ramp; no need for anchoring or trailering. Access the most shallow waters or traverse shallow-water submerged and variable objects. The 7.1M Amphibious craft is ideal for a variety of applications and provides the features that any reliable yacht tender requires. Standard features include Arctic Gray tubes with red accents, a rub rail, a white colored fiberglass hull, an anchor locker, three U-bolts, stainless steel heavy duty lifting points, forward Sampson post/bollard, LED navigation lights, a signal horn, automatic electric bilge pumps, and a 12V DC electric system.

- Mercury 150 hp 4 stroke only 50 hours
- Custom Drive on Trailer
- Fiberglass deep V hull
