## Overview

---

Regal's new 35 Sport Coupe 2020 represents a real step forward in mid-size cruiser design. Express cruisers have long been the most popular design but, increasingly, people want the all-weather convenience of a glassed-in salon. However, on the other hand, they also want the enjoyment of open air boating. So what is the solution? Regal gave the 35 Sport Coupe a roof that retracts its full width, drawing back about two feet and opening up the sky overhead. The exterior features are very impressive. Although it has a walk-through windshield section for safe forward deck access, it also has well-positioned bow rails and sidedecks wide enough to put your foot down flat. These are moulded with a little bit of a lip (like a toe rail) to make sure that your footing feels secure. A diamond pattern non-slip finish is used everywhere you step. The deck access is important because owners will want to enjoy the large foredeck sun pad with its reclining seatback system. It's a great spot to sunbathe and relax. This 35 Regal Sport Coupe 2020 is literally like new and has only seen fresh water her entire life in a covered slip. She has been dealer maintained with all service records available since new.

- Twin Volvo Penta 300 hp engines only 45 hours
- Joystick
