Overview

As a friend of Al Steiger, the seller on this 31 Steiger Craft Chesapeake 2021 was able to follow the boat construction from mold to delivery. He was able to make equipment upgrades, custom layout changes and oversee construction. The boat includes a long list of factory and custom extras. Including Sea Keeper 2 "165 sea hours". 3 Simrad displays (2 12" 1 9" rear) and rear 12 led video channel display. It has less than 250 hrs and was meticulously maintained. All pumps were upgraded to provide top reliability and service. Yamaha Extended 5-Year Warranty. Al Steiger was so impressed with this boat when he finished it he built one exactly like this one for himself and now offers a Seakeeper option in all his boats. This is the only one available on today's market that is built like this boat.
