SPECIFICATIONS

Overview

This 43 Richardson Sedan Cruiser 1958 has been fully restored at a cost of \$300,000. Work was done in 2015. She is fully Turnkey with access to the Erie Canal. Wooden boats tend to be much more comfortable than their synthetic counterparts. The natural materials used in their construction make them cooler in the summer and warmer in the winter, and they also tend to absorb noise better, making for a more relaxing ride. Only thing needed now is 75% of exterior needs to be re-varnished. Can be done by local shop. New Twin Perkins Diesel Engines 265 hp each only 1200 hours. Turbos rebuilt 50 hours ago.
