SPECIFICATIONS

Overview

The Silverton 392 Motor Yacht, with its innovative “SideWalk” flybridge steps, offers much improvement in safety, space utilization, and mobility. Never before has going forward been so easy and so safe. High bulwarks, sturdy rails, and wide steps allow passengers to move easily all around the boat. The added benefit lies below in the gunnel to gunnel salon that rivals boats 10 feet longer. By opening up the salon, both full-width and full-length, owners can entertain, dine, or just relax in this truly spacious atmosphere. Fore and aft are equally sumptuous staterooms, and private heads with separate stall showers. Both staterooms even have standard innerspring mattresses for sleeping comfort.
