SPECIFICATIONS

Overview

The new Riva Rivamare, a sleek, 39-ft speedboat designed the company's partners, Officina Italiana Design, who have carefully crafted a sporty silhouette while retaining Riva's signature high-class aesthetic. The new speedboat is the worthy successor of masterworks like Aquariva Super and, before that, Aquarama: it combines the style and charm of these legendary models with the most cutting edge technologies, and offers the greatest care for every detail, together with a level of comfort and spaces never seen before in boats of this size. There's handcrafted mahogany panelling across the front of the boat, which sits ahead of a fighter jet-like windscreen comprised of five double-curved crystal glass sections set in a stainless steel frame. Behind the glass is an array of premium seating and sundecks, and inside you'll find a kitchen, shower, and a living area that can convert into a double bed.

- Twin Volvo Penta D6-400 DPH Engines 400hp each
- Joystick Docking System
- Cruise Speed 31 knots. Top Speed 40 knots.
- Aquamatic DuoProp DPH Outdrive
- One Cabin
- One Head
