Overview

This 1998 Sea Ray 500 Sundancer comes with an optional transferable slip in Miami, Florida. Total Refit in June 2022. The distinctive Sea Ray 500 Sundancer mid-cabin combines impeccable lines, luxurious comfort, and unconditional seaworthiness. The 500 Sundancer is designed for serious cruising in uncompromised comfort. At the helm station, an adjustable captain's chair faces a wrap-around instrument console. Adjacent to the swivel helm seat is a large padded bench. The large, open cockpit provides a wet bar for refreshments, comfortable wraparound seating for eight, and a custom-engineered digital cassette stereo system with four speakers and cockpit remote control. Down four steps, the salon features a plush circular sofa with a convertible cocktail table - ottoman which can be raised to form a convenient dining table. An advanced stereo system, featuring cassette and compact disc, is acoustically matched to the interior to provide custom-equalized sound. A custom-built breakfast counter with padded bar stools separates the salon from a fully appointed walk-in galley with refrigerator - freezer, three-burner cooktop, and microwave. Portside, across from the galley, the guest stateroom includes a double bed with upper berth, cedar hanging locker, and full head with vanity and shower. Forward, a comfortable settee and a queen-size bed with custom designed sheets and bedspread grace the master stateroom. Cedar-lined hanging lockers with mirrored doors and a large mirrored dresser are included. The en-suite master head has a ceramic tile floor, VacuFlush head, vanity, and shower with a built-in seat.
