Overview

Sea Ray's 410 Sundancer 2001 is also the ultimate strong, silent type. With throttles down she's quick on the draw, and no matter what the speed or sea conditions, her rock-solid, traditional construction never rattles. Armed with an arsenal of standard equipment that's second to none as well as an express-style layout with two heads instead of one, she turns what the sea puts in front of her into an adventure. Calm, collected, and charming as hell, the 410 is built not only to punch through waves, but to enjoy every minute of it. FRESH WATER ONLY BOAT SINCE 2005
