## Overview

---

This 2009 35' Intrepid "URN'D IT" is a truly special, one of a kind center console that was originally built for over a one-million-dollar as a Superyacht Tender for the 281' M/Y Cakewalk by her owner.

She was designed to be the best 355 model ever built without overlooking any item throughout the build process. With plenty of comfortable seating throughout the boat and utilizing the Volvo D6-370A stern drives, this INTREPID 355 OPEN is truly enjoyable to cruise around on and participate in any water activities.

One of it's unique features is the hydraulic system on the center console top, which lowers in just seconds the hard top, becoming a very low profile and compacted boat allowing for it to stored on board a Superyacht garage or even a house garage easily.
