SPECIFICATIONS

Overview

Tiara has always been a conservative builder and it's no surprise the the newer, revised Model 3100 looks a lot like the original - basically a no-glitz express with top quality systems and hardware. Here reworked hull features a sharper entry, 18 degrees dead-rise, greater bow flare (for a dryer ride), and prop pockets to reduce shaft angles. She now also has a bi-level cockpit allowing more room in the engine compartment. This newer model has a slightly larger interior with more headroom and a larger U-shaped dinette. Additional update include increased fuel, a tilt-away helm console, recessed trim tabs, in-deck fish box, a livewell in the cockpit and a transom door. She is in the water and ready for some good fall fishing or cruising.

Basic Information

Category: Sport Fisherman

Model Year: 2004

Year Built: 2004

Country: United States

Dimensions

LOA: 31' 6" (9.6mm)

Beam: 12
