SPECIFICATIONS

Overview

Check out this EXTREMELY clean 2006 Mako 284CC powered by twin Mercury Verado 250s with 850hrs priced at \$84,500 OBO!!! This is your chance to get your hands on a absolute beauty of a well maintained ONE owner Mako 28!! This original one owner boat has been meticulously maintained and it shows! Only reason for selling is she just isn't getting used as much anymore and opens the opportunity for someone to get their hands on this future classic!! The good old saying of "they don't build them like they use to" couldn't be more true with this 2006 Mako!! The owner took this great boat and made it even better with simple yet well thought out upgrades that make her stand apart from the other 284s on the market today. The phonebooth enclosure is a prime example of such an upgrade improving the visibility and the protection it provides over the stock design.

Call today to learn more about this rare opportunity before she's gone!!
