SPECIFICATIONS

Overview

IKARON is a modern classic design by Hoek Design Naval Architects and she was built by the Dutch shipyard Holland Jachtbouw in the year 2000.

The owners used the yacht as a private yacht and kept her well maintained. A detailed maintenance and refit history can be found in the brochure of IKARON.

Despite her 100' length, she is very easy to handle with just two crew, or with the owner and a few friends. Her fuel capacity and storage tanks allow her to cross the Atlantic or the Pacific.

Holland Jachtbouw pride themselves on paying meticulous attention to detail and ensure that every boat is finished to the highest standards of workmanship.

IKARON can accommodate up to 8 guests in 3 cabins. Accommodation onboard is spacious and finished in beautiful blonde teakwood.

This yacht is well priced at € 2.900.000,- VAT paid

IKARON is moored in GENOA, Italy and visits are welcome by appointment.
