SPECIFICATIONS

Overview

2004 Robalo R260Twin Yamaha 225 w/ 650hrs (Exhaust's done)New Simrad electronics and radar in 2019Underwater LightsAuto PilotThe Robalo 260 Center Console is a tournament grade fishing machine loaded with high end features.Built on a Kevlar-reinforced hull with aggressive transom deadrise and a wide 9-foot beam, the 260 is bigger than most other 26 footers. Its popular cockpit layout features a cushioned seating area with a table; remove the cushions and add the filler to make a large casting deck just below the recessed bow rail. The bow also includes three insulated, locking fish boxes on hydraulic lifts, one in-deck and two integrated into the casting platform. A foldaway rear seat frees up cockpit space when fishing, and the console head compartment contains a toilet, sink, and shower. Standard features include a leaning post with flip-up bolster and cooler, bait prep center with cutting board and removable bait box, full cockpit bolsters, cockpit toe rails, and storage for 20 rods. A terrific open-water ride, twin Yamaha 225 outboards reach close to 40 knots top.
