Benefit from an immersive experience, featuring 6 Virtual Tours, 1 Video, and 117 photos, along with comprehensive specs and expert broker's commentary. All of this is available for the CHB 45 Trawler - Contact our Waterline Boats Broker!

Boat REF# · 326523 Length · 45'0" Year · 1984 Construction · GRP Underwater profile · Semi-Displacement Sleeping berths · 6 Engine · 2 x diesel 200hp, Perkins (1984) **Lying · Seattle, WA USA - Shown by Appointment Broker's Comments:** The CHB 45 was one of the most popular CHB models built. Usually referred to as a tri-cabin, this boat has an additional forward stateroom with upper and lower berths, and the forward (guest) stateroom also has upper and lower berths. So it will accommodate many people. The aft or master stateroom has the usual queen centerline berth and head with separate shower. Another positive design feature is the large flybridge area plus a bridge deck area aft of the flybridge. The step down from the bridge deck provides easy access to the swim step for boarding. The engine room access is also special. A lift-up set of stairs from the galley gets you into the engine room without moving furniture to open a deck hatch. A full walk around deck makes it easy to set fenders and move fore and aft while docking. This is a great family boat with the separate single berths and a lot of upper deck space. Moorage is available on Lake Union and this vessel has been in fresh water for the past several years.
