Broker's Comments: Bayliner 3788s are sought after and are known for very efficient use of space and a great layout for a couple with friends or a small family. There is a lot of boat packed into 37 feet! This model is equipped with twin Cummins 6BTA 5.9 litre engines and a 4kw Westerbeke generator. The current owners upgraded several items which include an Achilles 10' RIB with a 6hp Tohatsu outboard and changed to a Sea Wise davit system. A professionally installed custom hard top over the cockpit and SeaDek protective flooring in the cockpit and swim step really dresses up the area and feels great on bare feet! They installed a propane stove and an associated propane storage and supply system. The main cabin has an upgraded folding mattress for easy access to storage under the bed. The salon settee seat cushions have been re-upholstered and they had a Dometic Sealand fresh water flush electric toilet professionally installed. Her hull and exterior appear to be in very good condition and she has an incredibly clean interior. Current Everett moorage may be transferred to her new owners, if desired.
