Benefit from an immersive experience, featuring 3 Virtual Tours, 1 Video, and 88 photos, along with comprehensive specs and expert broker's commentary. All of this is available for the Cruisers 3850 - Contact our Waterline Boats Broker!

Boat REF# · 326740 Length · 38'0" Year · 1992 Construction · GRP Underwater profile · Semi-Displacement Sleeping berths · 4 Engine · 2 x diesel 300hp, Cummins 6BTA5.9 (1992) Lying · Whidbey Island, WA USA - Shown by Appointment Broker's Comments: The Cruisers 3850 was built from 1991 to 1994 and is a well-proportioned flybridge yacht whose spacious interior and sporty appearance made her a popular model for Cruisers Yachts. Cruiser's engineers packed some big boat accommodations into the 3850 including two comfortable staterooms with double berths, a tub/shower in the aft head compartment. This boat was built on a fully cored modified V hull with prop pockets and a relatively wide beam. Big U-shaped galley with plenty of counter and storage space, built in combination washer/dryer, trash compactor and a built in vacuum system. Tastefully furnished and decorated, this is an impressive interior for a 38-foot boat. The innovative reverse transom with its molded boarding steps is very practical on a boat with this much freeboard. There's plenty of guest seating on the bridge, and sun pads can be fitted on the foredeck. Additional features include an aft deck wet bar, wide side decks, and good cabin storage. The 300 horsepower Cummins diesels cruise comfortably around 16 knots.
