Broker's Comments: This 1993 twin-diesel SeaRay Sundancer certainly does not show its age. I can find little wear and tear. It does appear that it has had attentive care from knowledgeable owners. All of the surfaces are clean and attractive. The addition of the full enclosure around the aft deck certainly adds to the protection of the cockpit, and it extends the comfort and use of the aft deck.

Here is a versatile vessel with many live aboard amenities with long distance cruising capabilities.
